Dear Dr. Joffe:

I am delighted that you will be able to join us for the conference on Europe in the 1980s on April 5-6 at the State Department. The session dealing with West European views of the Soviet bloc and East-West trade will begin at 11:00 on Thursday morning. As a discussant, your opening remarks should be roughly 15 minutes.

This note is confirmation of your participation in this panel. We will keep you informed of any other changes in the program, and the State Department will advise you of administrative details as the April conference approaches.

Sincerely,

Milton Kovner  
National Intelligence Officer  
for  
Western Europe
